

ORDINANCE No. 05-5

**AN ORDINANCE REVISING BUILDING
PERMIT FEES FOR THE CITY OF OAK HILL**

WHEREAS, the City of Oak Hill provides building inspections for all new construction, remodeling and additions to all structures within the community; and

WHEREAS, prior to commencing work, all homeowners and contractors are required to secure a building permit from the City of Oak Hill that includes plan review and on-site inspections; and

WHEREAS, an analysis of the City's current building permit fees was conducted, with a subsequent recommendation for fee revision.

NOW THEREFORE BE IT ORDAINED that the City of Oak Hill adopt a revised fee structure for the issuance of building permits (Exhibit #A) effective September 1, 2005.

This Ordinance shall take effect immediately upon passage of second reading.
